

GENELLE IMPROVEMENT DISTRICT NEWSLETTER

JANUARY 2015

Dear Ratepayer:

The water tax and toll increases for 2015 is 3% for the water tolls and 4% for water tax. The garbage tax for 2015 has no increase. Factors influencing the rate increase include increased material and energy costs, insurance costs and the need to augment funds for a second reservoir installation.

Water Taxes and Tolls are due and payable on or before March 31, 2015.

An addition of 10% will be added to all taxes and tolls remaining unpaid after March 31, 2015.

If balance is not paid 30 days after the due date, the water will be shut off.

\$45.00 shut off fee will be charged to the property owner.

The water will remain off until all fees are paid, including a turn on fee of \$45.00.

All fees must be paid prior to the water being turned back on.
