

GENELLE IMPROVEMENT DISTRICT - BYLAW NO. 247

SCHEDULE A - NOTICE OF SPRINKLING REGULATIONS

Effective April 1, 2022 sprinkling regulations will be as follows:

- Regulations are in effect throughout the year.
- **NOTE: Upper Genelle is now even days and Lower Genelle is odd days regardless if your house number is odd or even.**
- No open hoses at any time. All hoses in use must have a nozzle or sprinkler attached to the outlet end.
- Only one sprinkler per household on manually controlled systems can be used at any one time.
- Automatic systems are not to be used in conjunction with manually controlled systems unless approved by the board.
- A soaker hose is considered the same as an above ground sprinkler.
- In the event of low aquifer levels sprinkling regulations level 2, 3 or 4 will come into effect. Ratepayers will be notified. Otherwise Level 1 applies.
- All underground systems MUST have a rain sensor and a backflow preventer that is accessible and serviceable. Maintenance is the responsibility of the homeowner. Maximum total water consumption is 5GPM (imperial gallons). Once a new system is in place it should be inspected by the Genelle Improvement District maintenance.
- Hand watering with a watering can is permitted at any time. No other hand watering is to be done outside sprinkling hours.

Ratepayers in non-compliance of the sprinkling regulations will be penalized. There shall be one written notice of regulations, which is hereby given to all water users.

First offence – one written warning. **Second Offence** – water shut off. Disconnection/reconnection fee is \$150.00

NOTICE— CHANGE OF GENELLE IMPROVEMENT DISTRICT SPRINKLING REGULATIONS

Please note we are temporarily changing the sprinkling regulations for the 2022 year to accommodate the lack of water in Upper Genelle. Residents in Upper Genelle have been experiencing low to zero water flow in times during sprinkling hours. The Board of Trustees have decided to put a pilot project in place as we have learned from other municipalities experiencing the same issues. The GID is doing this by adjusting from odd and even to Upper Genelle and Lower Genelle.

North and South lower portions of Genelle are being fed by separate lines with higher pressures therefore, there should be no issues in accommodating these areas with ample water for sprinkling.

Upper Genelle is classified as 4th St.(Firehall St) to 6th Street and 11th Ave to 14th Ave.

Lower Genelle is from 4th St. right to the Hwy. Lower China Creek Road and to 17th Ave.

Outlined on the map is Upper Genelle. Residents outside the lined area are considered Lower Genelle.
