

## TRUSTEES' REPORT

January 2022 - December 2022

- Ongoing review and updating of GID bylaws; 2022 Capital Works Renewal Reserve Fund Disbursement Bylaw, Taxation Bylaw 2023, GID Tolls Bylaw, & Sprinkling Regulations Bylaw
- Developing & implementing the Elections Procedures Policy to ensure an open, fair and honest process
- Monitoring compliance of GID's bylaws and educating the community on responsible water use
- Overseeing maintenance of GID infrastructure & facilities, in collaboration with our Water Operator
- Upgrading office systems, procedures, and equipment to modernize operations, in collaboration with our Financial Administrator
- Communicating with the Genelle community through newsletter mail-outs, our rural water impact website, and email/SMS alerts
- Collecting & analyzing data through the Upper Genelle survey; reviewing ratepayers' opinions, water pressures, water systems, and water usage
- Tracking & monitoring revenue and expenses to choose budgeting strategies for 2023
- Engaging with Childs Chanton Chartered Professional Accountants for financial audit services, while staying within the 2022 budget for professional services
- Networking with the Regional District of Kootenay Boundary regarding fire services and potential garbage & organics collection within the community
